REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claims are allowable over the closest prior art to Patel (of record). Patel fails to teach or suggest a structure or method of making a structure having a non-magnetic NiP layer in between the magnetic NiP layer and the base layer. The prior art fails to teach or suggest a motivation to deposit such a layer in between the magnetic NiP layer and base layer taught by Patel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
